

Expecting Mothers & Children

Expecting Mothers

It is a good idea to check with your doctor for permission to fly to convention; especially those who will have entered their 24th week of pregnancy. If you find you or your guest are unable to attend, please inform Sarah Jones with Bankers Life Meeting Planning ASAP at Sarah.Jones@cnoinc.com.

Zika Virus

The Center for Disease Control has issued travel alerts regarding the ongoing spread of the Zika Virus. More information can be found on their website including information on how the virus may affect pregnant women and women of childbearing age. Please visit <http://www.cdc.gov/zika/> for more information.

Children at Convention

As a reminder, children under the age of 18 and additional guests are not allowed to attend the Awards Gala on Friday, April 8th.

Additionally, while Bankers Life does not prohibit children from accompanying qualifiers to the convention site, the Company does not sponsor air costs, activities or hotel costs for any guest under the age of 18 due to liability.

If you have children (including toddlers) attending the convention, it's important that you notify Bankers Life Meeting Planning. This information will allow you to buy-in for specific meals and ensure transportation to/from the airport and Fiesta Americana Grand Coral Beach. If you have additional guests and want to buy-in for their transportation, please email Sarah.Jones@cnoinc.com. Transfers are \$27 per guest, each way. Please note there are no car seats located in the transportation vehicles.

Bankers Life does not endorse or sponsor childcare at Fiesta Americana Grand Coral Beach. For information on childcare offered at the hotel, please call the hotel directly at +52 998 881 3200 (dial 011 instead when calling from the US). Please note that actually booking child care is done upon checking in to the hotel.
